

## CSC Adult Basketball League Rules

League will follow standard USAB rules with the following modifications

### TEAM ROSTERS

- A. Online player waiver forms are due before a player competes in any game. The waivers also serve as the official roster for the team. Each roster will be permitted twelve (12) players in the men's leagues, and fifteen (15) in the women's leagues.
- B. New players may be added to a roster anytime during the regular season.
- C. Everyone who plays in league competition must sign the online waiver form to release CSC, team sponsors, and any other person connected with the league of any responsibility in case of an accident. If a team plays a player who is not officially on the roster, an automatic forfeit will be declared and the captain will receive a two (2) game suspension. This is automatic, and it is not required that the opposing team file a protest. Players must show a picture ID to CSC staff if requested.
- D. Subs can be pulled from other teams during the regular season but not the playoffs

### LEAGUE RULES

- E. All leagues will be governed by USAB playing rules using twenty (20) minute halves.
- F. Only three (3) one (1) minute time-outs per game, per team.
- G. Clock will run on all infractions, including fouls, until the last two (2) minutes of the first half and the last three (3) minutes of the game.
- H. During the last two (2) minutes of the first half and the last three (3) minutes of the game, the clock will stop for all infractions, unless a team is trailing by fifteen (15) or more points in the second half.
- I. There will be three (3) shots awarded on a technical from the bench and two (2) from the floor.
- J. No dunking during warm-ups.

- K. Overtime will last two (2) minutes with the clock stopping on all infractions.
- L. If a team has only four (4) players, the opposing team has the option to accept a forfeit or play four on four. A fifth player may enter the game upon arrival to the facility; however, if it is after half time, the game must continue play as four on four.
- M. All teams will be allowed a five (5) minute warm-up period prior to their scheduled game. Any team not having at least four (4) players ready for play at the scheduled time will be compelled to forfeit
- N. All teams must wear shirts or jerseys of the same color
- O. Tie Breaker Rule for League Standings: Head-to-head record for record ties. If they are still tied, we will use point differential.
- P. CSC will make all decisions concerning eligibility, etc. No protests will be accepted on an official unless there is a misinterpretation of a rule.

## SUSPENSIONS

- Q. Any player or coach who has two (2) technical fouls called on him in one (1) game, or is ejected from a game for unsportsmanlike conduct, is automatically ejected from the facility immediately for that night. If the foul is flagrant enough to cause bodily harm, the player or coach will be suspended for the remainder of the session.
- R. Individual technical fouls will be carried over from game to game. Any player receiving two (2) technical fouls in one game or three (3) technical fouls in a season will be suspended for two (2) games. If an ejected player refuses to leave or re-enters the gym on that same night, the team he or she plays for will automatically forfeit their game. In the event such action does occur, that individual is automatically suspended from further league play until reinstated by CSC.
- S. Only the team captain can confer with officials. Anyone else will constitute a technical foul. If a team has three (3) technical fouls called in one (1) game, they must forfeit the game. Each team is responsible for the action of their fans.
- T. Any player or captain ejected twice during the season must be reinstated by CSC

- U. Any player, captain, coach or team, who in the opinion of the League Director is detrimental to the function of the league, may be permanently barred from league play by CSC.
- V. Extreme profanity toward or physical contact with the official will result in an automatic suspension of one season. Scorekeepers and clock operators are considered officials.
